

ABOUT THE SHOP

The Cosmetology program at Warren County Technical School offers students a comprehensive four-year education designed to prepare them for careers in cosmetology and barbering. This 1,000-hour state program covers essential skills applicable to various professions, including barbers, hairstylists, beauticians, manicurists, and skincare specialists. By operating the Glamour Boutique, students gain invaluable hands-on clinical experience and are well-prepared for the New Jersey State Board of Cosmetology and Hairstyling exam, which they take during their senior year. Students who complete the program and pass the exam will receive their licensure in the State of New Jersey. Furthermore, those who complete 600 hours of training are eligible to apply for the work-study program in the second half of their junior year allowing them the opportunity to gain real-world experience by working in a salon or barbershop while also preparing to pursue their college degrees. Finally, many local Salons offer our students apprenticeship programs, advanced education, and career opportunities in their growing spas and salons.

GO FOR THE GOLD AT SKILLSUSA!

Competitions in the cosmetology field provide students with an excellent opportunity to refine their industry techniques and skills. By participating in various events such as Cosmetology Advanced, Cosmetology Novice, Barbering, Cosmo Knowledge Bowl, Esthetics, Nail Care, Braiding Extensions, Fantasy Makeup, and Advanced Hair Colorist, students can enhance their expertise and gain valuable experience. These competitions not only allow participants to showcase their talents but also help them stay updated with the latest trends and innovations in the cosmetology industry.

MEET THE INSTRUCTOR

Mrs. Girdali-Lynch brings years of industry and business experience into her current role as a teacher at Warren Tech. She has been a great asset at WCTS by presenting integrity, knowledge, & passion to the classroom, and preparing students to pass their N.J. State Licensing Examination. Upon completion of this four-year program, students will be able to jumpstart into their future careers as a N.J. Licensed Cosmetologist!
